Report on Celebration of "International Yoga Day"

Event Name- International Yoga Day

Date- 21/06/2023

Venue- Seminar hall

Total number of participants -75

On the occasion of International Yoga Day, the college has organized **"Yoga Activity"** for students on **21st June. 2023**. Dr. Ghanshyam Khandekar has conducted the Yoga session.

The practice of Yoga is believed to have started with the very dawn of civilization. The science of yoga has its origin thousands of years ago, long before the first religions or belief systems were born. Yoga has been beneficial in keeping the body and mind in sound health. Yoga has been shown to have immediate psychological benefits, decreasing anxiety and stress, and increasing feelings of emotional and social well-being. It helps prevent and control non-communicable diseases (NCDs) — cardiovascular diseases, cancer, chronic respiratory diseases and diabetes, among others — that are a rising cause of disability and premature death.

Mr. Musale Sumit greeted the guest. All the faculty, supporting staff members and students of M-Pharmacy participated enthusiastically in the program. Total 75 participants were present for yoga session. The session was culminated by vote of thanks by Mr. Musale Sumit. The program was Co-ordinated by Mr. Musale Sumit, under the guidance of Principal Dr. Rajashree Chavan.
