EXTRACURRICULAR AND CULTURAL ACTIVITIES

Aim: Extracurricular activities can improve academic achievement, foster the acquisition of useful skills, and sharpen students' credentials.

Objectives:

- To help students develop a range of skills and knowledge in different contexts and, more importantly, allow them to learn about themselves.
- To provide students opportunities to express themselves, build confidence, and develop social skills that are essential for their development, and it is important to consider them as a crucial part of the education.
- To supports in the social, behavioral, and physical development of students.
- The exposure to a variety of activities and opportunities to express themselves, build self-esteem, and develop social skills, all can contribute to the overall development of a student, and can contribute positively to their academic performance.
