Report on

Tree Plantation Activity

On the occasion of the birthday celebration of **Hon.**

Shri Ajitdada Pawar Saheb (Deputy Chief Minister, Maharashtra State and President, PDEA),

PDEA's Seth Govind Raghunath Sable College of Pharmacy, Saswad organized a Tree Plantation Drive at Malhargad Fort (Kalewadi), Tal: Purandar, Dist: Pune.

The program was graced by Mr. Balasaheb Zende, Director of Jeevan Vardhini Matimand Vidyalaya, Dive (Saswad), Tal: Purandar, Dist: Pune, who was present as the Chief Guest. Dr. Rajashree Chavan, Principal of the college, guided and motivated the students, emphasizing the role of youth in environmental protection and sustainable development.

During the event, students and staff actively participated in planting indigenous tree species such as Pimpal (*Ficus religiosa*) and Vad (*Ficus benghalensis*), which hold ecological and cultural significance. The plantation of local plant species was intentionally chosen to support the local ecosystem and ensure better survival and growth.

The Tree Plantation Drive not only contributed to the greening of the Malhargad Fort premises but also served as an experiential learning activity for students, reinforcing their commitment toward environmental stewardship. This activity added value to the institutional green campus and strengthened the commitment of the NSS unit to environmental causes.
