Address From The President

I am pleased to forward the Horizon 2024-25, a placement brochure. The pharma healthcare is gaining wide acceptance at all the levels of the community for its inevitability. With greater life expectancy, it is quite expecting to observe the incredible growth of pharma sector. Pharma education institutes hold the responsibility of generating well trained, highly skilled and knowledgeable youth to support such growth.

PDEA's SGRS College of Pharmacy has emerged as one of the best center of quality education in the field of pharmacy over the last 30 years. It's truly heartening to see this college growing by leaps and bounds and striving consistently for creating quality professionals. Apart from providing excellent infrastructure, college concentrates on overall development of its students thereby molding them into knowledgeable and highly skilled professionals. The college has an active training and placement cell which ensures the development of employability skills through various activities like mock interview, personality development, entrepreneurship development program, group discussions, etc. In association with various Pharmaceutical Industries, the cell ensures the vast opportunities of placements to its students.

We are indeed grateful to all those Pharmaceutical Industries and Firms for having shown faith in our students by offering them vast job opportunities within the campus itself. I am confident that this year too our students with their outstanding profiles will fetch the Pharmaceutical Industries to our doorsteps for getting themselves placed rightly.

I congratulate the Principal and editorial team wholeheartedly for the excellent compilation work of Horizon.

With greetings.

Hon. Ajitdada Pawar

President

Address From The Vice President

It gives me an immense pleasure to pen down a message for the placement brochure 'Horizon 2024-25'. Today's scenario of pharmaceutical industry is changing and the students of Seth Govind Raghunath Sable College of Pharmacy, Saswad have been prepared through their profession education to face any situation with an open mind. The College not only provide excellent education but also prepare its students to make correct choice of their career. The college is taking every effort in encouraging the students to widen their horizon by motivating them to participate in various co-curricular and extra-curricular activities. The enthusiastic faculties have taken care to develop these budding professionals, committed to the responsibilities and duties of profession. In the past the industries have responded very positively to the efforts of our placement cell and I am sure that the students of this batch will also seek opportunities coming their way.

With warm regards,

Hon. Rajendra Ghadage

Vice President

Address From The Hon. Secretary

It's indeed a great pleasure to present before you our college placement brochure 'Horizon 2024-25'. Supporting a fundamental human need of leading healthier lives, pharma sector continues to grow with tremendous pace. The pharma sector is conducive to aspirants who see themselves evolve as knowledge led contributors. Educational institutes play a key role of fulfilling the needs of pharma industries by generating well oriented and highly skilled youth. SGRS College of Pharmacy has been instrumental in the all round development of its students thereby making them capable to excel in their duties to serve the mankind as the Pharmacists of the future. Besides its efforts of designing spectacular infrastructure with modern facilities and imparting knowledge based quality education to its students, the college has been keenly engaged in conducting various student centered activities. The college also emphasizes on exploring the resources for the benefit of students by encouraging them to undertake quality research work during their post graduate and under graduate programs as well.

Horizon, a placement brochure is the perfect medium for the college to reach to our prospective employers. The task of accomplishment of the brochure by the team of Training and placement cell is definitely worth appreciation. I am confident that the Entrepreneurs would find the well groomed and skilled candidates in the form of our students.

I convey my best wishes to the institute for its bright future.

With warm regards,

Hon. Adv Sandeep Kadam

Hon. Secretary

Address From The Principal

It's an immense pleasure to forward the next issue of our placement brochure '**Horizon**' for the year 2024-25.

PDEA's Seth Govind Raghunath Sable College of Pharmacy was established with a prime motto of providing professional education to the rural masses. Well recognized for excellence in quality education, the college has been **accredited by NAAC with A grade** and has been a proud recipient of **Best College Award 2016** by Savitribai Phule Pune University, Pune. Apart from providing magnificent infrastructure, the college gives emphasis of overall development of its students thereby molding them into knowledgeable and highly skilled professionals. The college conducts the student centered activities in order to boost their confidence, encourage active participation, provide platform to express their talents and inculcate the values of social responsibility and good citizenship. The college takes efforts to groom its students for facing challenges and developing global competencies. The college has established Innovation Incubation centre (ICC) to help boost start-ups and novel ideas. The college has active Training and Placement cell, Students Counseling cell, Students Council, etc. for ensuring students' wellbeing and progress. The activities conducted by college include Research Project Activity, Science Exhibition, Idea competition, Mock interview, National Pharmacy Week celebration, Publication of annual magazine, Earn & Learn scheme, NSS, sports and cultural activities etc. for the students. The guest lectures by eminent persons from industry and academics are arranged to update the students with current scenario of the field. The students are provided with basic facilities and sophisticated equipments to undertake quality research work.

We are indeed grateful to all those Pharmaceutical Industries and Firms for having shown faith in our students by offering them vast job opportunities within the campus itself. Our alumni are holding higher positions in Pharmaceutical industries in India and abroad as well. Our students with their excellent profiles seek the right placement for bright career. I hereby appeal the prospective employers to come forward and provide the job opportunities to our students.

I congratulate the editorial team wholeheartedly for the excellent compilation work.

Thanks with regards.

Dr. Rajeshree Chavan
