**Report on Creative Minds Club**

**Academic Year 2025–26**

**Topic:** Induction of Creative Minds Club under Student Club Connect

**Date:** 28th November 2025

**Time:** 11:45 am to 12:45 pm

**Venue:** Seminar Hall

The Induction Program of the Creative Minds Club was successfully organized under the esteemed guidance of Principal Dr. R. S. Chavan, whose encouragement and support played a vital role in making the event a grand success.

The program commenced with a preamble by Mrs. J. R. Jagtap, who highlighted the vision and mission of the Students' Club Connect initiative. Her insightful address emphasized the importance of extracurricular engagement in nurturing overall personality development among students. Her inspiring words set a positive tone for the event.

The Creative Minds Club, coordinated by Mrs. Pratibha Dhumal, presented a vibrant and engaging session aimed at showcasing the artistic and literary skills of the students. Various activities were conducted to celebrate creativity and promote a culture of expression. Mrs. Dhumal guided the students throughout, helping them refine their abilities and ensuring the smooth execution of all planned activities. Her mentorship played a key role in highlighting the talent and enthusiasm of the participants.

The efforts of the Creative Minds Club were highly appreciated by both faculty and students. The presentation created an energetic atmosphere that encouraged students to think creatively and participate actively.

Following the presentation, all student coordinators from various clubs interacted with the students. They conducted an interactive session discussing the club activities, future plans, and strategies. This session encouraged students to share ideas, express their interests, and volunteer for upcoming projects. Many students showed keen interest in joining the club and participating in its activities.

The induction program effectively facilitated communication between club coordinators and students, increasing awareness of upcoming club activities and motivating students to get involved in the club's initiatives.

Anchoring for the event was initially managed by Ms. Shruti Bembade, a final-year student, who conducted the proceedings with confidence and clarity. Midway through the session, she handed over the anchoring responsibilities to Mr. Krushna Yadav, a second-year student. He continued with equal enthusiasm, introducing the student coordinators of various clubs and appreciating their contributions.

The event concluded with a vote of thanks by Mr. Vaibhav Thopate, S.Y.B.Pharm student, who expressed gratitude to the Principal, faculty members, student coordinators, and all the participants for their continuous support and involvement in making the event successful.

In her concluding remarks, Principal Dr. R. S. Chavan commended the efforts of all clubs and encouraged students to actively participate in such initiatives to enhance their skills, creativity, and overall development.

Mrs.P.A.Dhumal  
Creative Minds Club Coordinator

Dr.R.S.Chavan

## Glimpses of Creative Minds Club
