Sub: - Regarding visit to your Organization.

Respected sir,

With respect to above cited subject, we wish to inform you that our college arranges a one day Industrial visit for the B. Pharm. students as a part of their curriculum. The Final Year B. Pharm. curriculum deals with Ayurveda so we have planned to visit your organization.

We hereby request you to kindly allow our Final Year B. Pharm. students to visit the premises of your esteemed organization. There are 50 students and two teachers will be accompanying them.

Please permit us to visit on 18th of April 2026.

We further assure that we will abide all the rules of your Organization.

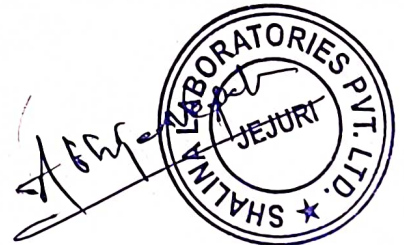

Awaiting your positive response.

Thanking you with warm regards,

Yours sincerely,

PRINCIPAL

Sub: - Regarding visit to your Organization.

Respected sir,

I convey my sincere and heartfelt thanks to you for allowing our Final Year B Pharm students to visit your organization. The information given by you on various dosage forms will be really useful for our students.

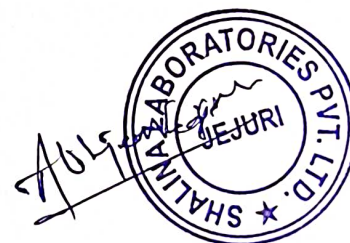

I am sure this will help them in a long way in their future career. Hope for your co-operation in future.

Thanking you once again

Yours sincerely,

**Report on
"Industrial Visit"**

Event: Industrial Visit to Shalina Healthcare Pvt. Ltd., Jejuri
Date: 18th April 2026

The industrial visit to Shalina Healthcare Pvt. Ltd., Jejuri was organized by college on 18th April 2026 for the Final Year B. Pharmacy students. A total of 32 students participated in the visit under the guidance of faculty members Dr. Nilesh Bhosale and Dr. Smita Deshmukh. The main purpose of this visit was to provide practical exposure to pharmaceutical industrial operations and to understand the manufacturing processes, quality control systems, and regulatory practices followed in the industry.

Shalina Healthcare Pvt. Ltd. is a reputed pharmaceutical company involved in the manufacturing and distribution of quality medicines. During the visit, students were taken through various departments of the industry including Production, Quality Control, Quality Assurance, Packaging, and Warehouse sections. In the production department, students observed the processes involved in the manufacturing of tablets and capsules, including granulation, compression, and coating. They also got an opportunity to see different machinery used in pharmaceutical production.

In the packaging section, students observed the labelling, blister packaging, and final packaging processes, and understood the importance of maintaining batch details, manufacturing dates, and expiry dates. The warehouse and storage area provided insights into proper storage conditions and inventory management systems followed in the pharmaceutical industry.

Throughout the visit, strict safety measures were observed, including the use of protective clothing such as aprons, caps, and masks. Hygiene and cleanliness were maintained at all levels to prevent contamination. An interactive session was also conducted where students had the opportunity to ask questions related to industrial practices, career opportunities, and regulatory requirements, which were effectively answered by the industry professionals.

Overall, the industrial visit was highly informative and beneficial for the students as it helped bridge the gap between theoretical knowledge and practical application. It enhanced their understanding of pharmaceutical manufacturing processes and quality systems and provided valuable insights into the pharmaceutical industry. The students expressed their gratitude to the management and staff of Shalina Healthcare Pvt. Ltd. The industrial visit was conducted by Dr. Nilesh Bhosale and Dr. Smita Deshmukh under the guidance of the Principal Dr. Rajashree Chavan
