1. Tree Plantation Programme

NSS volunteers, teaching and non-teaching staff, students, and representatives from **Saswad Nagarpalika** actively participated in planting various saplings including medicinal, ornamental, and shade-giving trees. The activity aimed to inspire students to take responsibility for nurturing these trees and contribute towards combating climate change.

The Principal addressed the gathering, highlighting how tree plantation is not only an act of environmental responsibility but also a patriotic gesture under the Har Ghar Tiranga spirit — signifying growth, unity, and national pride.
