The institute organized a guest lecture on “**Career Opportunities in Clinical SAS**” on 09<sup>th</sup> July 2025. The lecture was conducted by an expert in the field, **Mr. Prajakt Kamble** (Principal Stat Programmer, IQIVA, Pune ). He focused on various avenues available in clinical SAS. He elaborated on the role of clinical SAS in pharmaceutical industries, Clinical SAS (Statistical Analysis System) professionals play a crucial role in the pharmaceutical, biotechnology, and clinical research industries. They are responsible for analyzing clinical trial data to support regulatory submissions, monitor trial progress, and derive clinical insights. Also, he explained various job opportunities for pharma students.

This session played a crucial role in empowering students with the knowledge and insights needed to make decisions about their professional paths and fostering an environment that promotes career growth among the students.

The active participation of all students is reflected through their enthusiasm and interest in exploring new opportunities in the field of pharmacy. Total 40 students were present for the lecture. The successful coordination of the session by Ms. Srushti Phadtare and Dr. Ganesh Nigade, Training & Placement cell officer, under the guidance of Principal Dr. R. S. Chavan, reflects the dedication and commitment of the institute in providing holistic guidance and support to its students.
