**SETH GOVIND RAGHUNATH SABLE COLLEGE OF PHARMACY, SASWAD**

---

**Event Name: Guest lecture on “Opportunities in Pharma field”**

**Date: 26/11/2025**

**Venue: Seminar Hall , SGRS College of Pharmacy, Saswad**

**Total number of participants = 109**

As part of the induction program for the academic year 2025-26, a guest lecture on **“Opportunities in Pharma field”** was organized for the newly admitted students of D.Pharm, B.Pharm, and M.Pharm on **26<sup>th</sup> November 2025** at **11.45 am**. The session was delivered by Mr. Bhanu Shrivastava, an eminent pharmaceutical entrepreneur and the CEO of Petrus Pharmaceutical, Pune. His lecture focused on the evolving opportunities in the pharmaceutical sector and the future direction of the industry.

Mr. Shrivastava introduced students to advanced scientific concepts such as quantum mechanics, quantum biology, and other frontier sciences that are gradually influencing modern drug discovery and healthcare research. He explained the growing importance of organoids in preclinical studies and how they are transforming drug development. Students were encouraged to explore these cutting-edge areas to build strong scientific foundations.

Mr. Shrivastava motivated students to write blogs on topics of their interest. He emphasized that creating content not only enhances knowledge but also strengthens their portfolios and resumes, making them more competitive in future placements. A fascinating part of the lecture was the discussion on microgravity research and the possible role of pharmaceuticals in space missions. He explained how pharma could play a key role in sustaining life on Mars and other planets, highlighting the futuristic scope of the field. Throughout the lecture, he divered various crucial aspects of the pharmaceutical industry, ranging from research, innovation, and entrepreneurship to global challenges and future opportunities.

The session was highly informative, futuristic, and inspiring. Mr. Shrivastava's talk exposed students to emerging scientific domains and encouraged them to think beyond conventional boundaries. His guidance motivated the newly admitted students to explore new learning avenues and actively participate in knowledge-building activities.

The event was coordinated by Ms. Ankita Javalkar and Dr. Ganesh Nigade, under the guidance of the Principal, Dr. Rajashree Chavan. Their collective efforts ensured the smooth execution and success of the event.
