Report on Cleanliness Drive

Event Name: Cleanliness drive

Date: 12/12/2025 Time: 3.30 pm

Venue: Dr. Babasaheb Ambedkar Udyan, Saswad

The Green Club of the institute organized a cleanliness drive at **Dr. Babasaheb Ambedkar Udyan, Saswad**, on **12/12/2025 at 3.30 p.m.** to promote cleanliness, environmental awareness, and social responsibility among students and the public. The drive was carried out with active participation and enthusiasm from the Green Club members, reflecting their commitment towards creating a clean and healthy environment.

During the activity, the students cleaned the garden premises by collecting various types of waste such as plastic wrappers, bottles, paper waste, and other litter scattered across the area. All the collected waste was properly disposed off in dustbins to ensure systematic waste management. The drive helped in improving the cleanliness and aesthetic appearance of the garden and emphasized the importance of maintaining cleanliness in public spaces.

Along with the cleaning activity, the Green Club members also created awareness among visitors in the garden about cleanliness, plastic waste management, and the harmful effects of plastic on the environment, animals, and human health. The students interacted with the public and encouraged them to avoid littering, reduce the use of single-use plastics, and adopt eco-friendly practices. The cleanliness drive proved to be a successful initiative in spreading the message of environmental protection and instilling a sense of responsibility towards society and nature.
