Report

Event Name: Career Counselling Session under induction program

Date: 29/11/2025

Time: 11.00am

Venue: Seminar Hall, SGRS College of Pharmacy, Saswad.

Career Counselling Session was conducted on **29/11/2025** under the **Induction Program** for **First Year D. Pharmacy, B. Pharmacy, and M. Pharmacy students**. The session was delivered by **Dr. Ganesh Nigade** to guide newly admitted students about the wide range of career opportunities available in the pharmaceutical field. The program aimed to help students understand the scope of pharmacy education and plan their future careers effectively.

At the beginning of the session, he emphasized the importance of choosing the right career path at an early stage of academic life. He motivated students to develop a clear vision, set career goals, and work consistently towards achieving them. He highlighted how the pharmaceutical profession plays a crucial role in healthcare and society, making it a rewarding and respected career option.

He provided detailed information about various career opportunities in the private sector, including pharmaceutical manufacturing companies, research and development, quality assurance, quality control, clinical research, marketing, and hospital pharmacy. He also explained government job opportunities, such as positions in drug control departments, regulatory authorities, public sector undertakings, and opportunities through competitive examinations.

In addition, he discussed higher education and abroad opportunities in the pharmaceutical field. He guided students on options for pursuing postgraduate studies, research, and professional courses in India and abroad. Information regarding international career opportunities, entrance examinations, and skill requirements for global exposure was also shared during the session.

The session concluded with an interactive discussion, where students were encouraged to ask questions and clarify their doubts. Overall, the career counselling session was highly informative, motivating, and beneficial for the students. It helped them gain a clear understanding of career prospects in pharmacy and inspired them to work towards building a successful and meaningful professional career.
