On 12th July 2026, during the halt of the Sant Dnyaneshwar Maharaj Palkhi at Saswad, the NSS Unit of college, in collaboration with Karhamai Pratishthan, conducted a cleanliness drive at the Diveghat area. This initiative was carried out as part of the ongoing “Swachh Wari, Nirmal Wari, Harit Wari” campaign, with the objective of maintaining hygiene and promoting environmental responsibility during the Wari.

NSS volunteers, along with members of Karhamai Pratishthan, actively participated in cleaning the surroundings, collecting plastic waste, and ensuring the area remained litter-free. The team emphasized the importance of cleanliness not only as a health measure but also as a form of respect to the sacredness of the Wari.

Public awareness messages were shared with Warkaris and local citizens regarding the significance of Swachhta, proper waste disposal, and reducing plastic usage. The drive successfully contributed to creating a clean and positive environment for the devotees and upheld the values of hygiene, community participation, and environmental care.

This effort reflected the commitment of the NSS Unit and its collaborating partners toward building a socially responsible and environmentally conscious society.
