Report on Slogan Writing Competition on the occasion of World Environment Day

Event Name: Slogan Writing Competition

Date: 05/06/2026

On the occasion of **World Environment Day**, the **Green Club of our college** organized a **Slogan Writing Competition** with the objective of promoting environmental awareness and encouraging students to express their ideas creatively through meaningful and impactful slogans.

The competition was conducted on **5th June 2026**. Participants were encouraged to compose original slogans highlighting the importance of environmental conservation, sustainable living, and the need for collective action towards protecting nature. As a special initiative, participants were instructed to incorporate the appropriate word in their slogans, and the best slogan was selected to serve as the official tagline of the Green Club.

The competition was conducted through the Google Forms platform, where participants submitted their original slogans online. A total of **21 responses** were received. The online submission process facilitated convenient participation and enabled the smooth collection and evaluation of entries. The slogans reflected innovative thinking, environmental consciousness, and a strong commitment towards promoting eco-friendly practices. The activity provided students with an opportunity to demonstrate their creativity while reinforcing the message of environmental responsibility.

The competition was successfully organized by the Green Club members under the coordination of Ms. Ankita A. Javalkar, and under the valuable guidance of Principal Dr. Rajashree S. Chavan.

The slogans submitted by the participants are listed below.
