SETH GOVIND RAGHUNATH SABLE COLLEGE OF PHARMACY, SASWAD

Report on "Career Opportunities in Regulatory Affairs"

Event Name: "Career Opportunities in Regulatory Affairs"
Date: 03/09/2026
Time: 10.00 am
Venue: Classroom no. 1

The Training and Placement Cell of the college organized a career guidance session on **"Career Opportunities in Regulatory Affairs"** on **3rd September 2026 at 10:00 AM**. The session was conducted by **Ms. Kavita Jedhe, Assistant Manager, SoftPlexus Pvt. Ltd., Pune**, with the objective of providing students with practical insights into the regulatory affairs domain and its career prospects in the pharmaceutical industry.

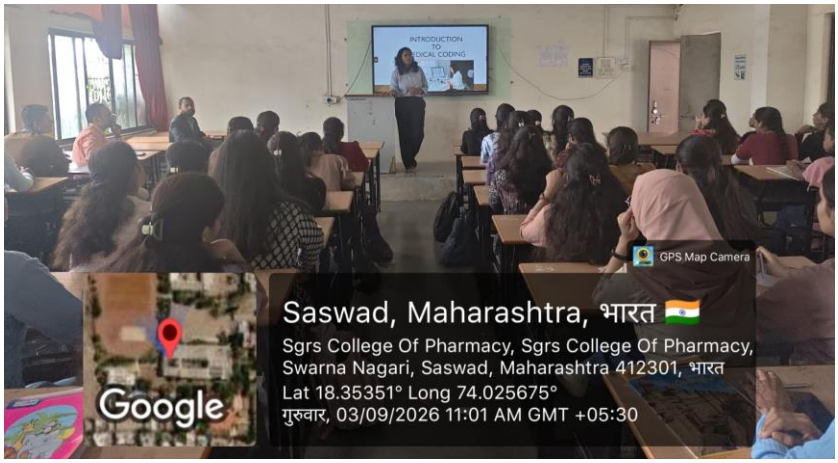

The session began with an introduction to the Regulatory Affairs (RA) department and its important role in the pharmaceutical industry. She explained how regulatory professionals act as a link between pharmaceutical companies and regulatory authorities, ensuring that medicines and pharmaceutical products comply with applicable regulatory requirements before and after they enter the market.

She also discussed the various career opportunities available in Regulatory Affairs for M. Pharm. She introduced different areas of work such as regulatory documentation, preparation and compilation of regulatory submissions, product registration, dossier management, regulatory compliance, variation management, and coordination with regulatory agencies. The session helped students understand the nature of responsibilities handled by regulatory professionals in the pharmaceutical sector.

Special emphasis was given to the skills and knowledge required to build a career in Regulatory Affairs. Students were encouraged to develop a strong understanding of pharmaceutical sciences, regulatory guidelines, documentation practices, attention to detail, communication skills, analytical thinking, and proficiency in handling regulatory documents. The importance of keeping oneself updated with changing regulatory requirements was also highlighted.

The session was interactive, and students actively participated by asking questions related to career entry, job roles, required skills, and opportunities in the Regulatory Affairs field. The discussion enabled students to gain a clearer understanding of the career pathway and encouraged them to explore Regulatory Affairs as a potential career option after completion of their M. Pharm degree.

Overall, the session was highly informative and beneficial for the M. Pharm students. It enhanced their awareness of the scope, responsibilities, required competencies, and career opportunities in Regulatory Affairs and provided valuable industry-oriented guidance for their future career planning. The program was organized as part of the efforts to enhance students' career awareness and industry readiness. The event was coordinated by Mrs. A. K. Jagtap and Dr. G. B. Nigade under the guidance of Principal Dr. Rajashree Chavan. Their collective efforts ensured the smooth execution and success of the event.
