SETH GOVIND RAGHUNATH SABLE COLLEGE OF PHARMACY, SASWAD

Report on "Career Opportunities in Healthcare and Pharma"

Event Name: "Career Opportunities in Healthcare and Pharma"
Date: 17/08/2026
Time: 11.00 am
Venue: Classroom no. 1

The **Training and Placement Cell** of the college organized a career guidance session on **"Career Opportunities in Healthcare and Pharma"** for the **Third Year B. Pharm** on **17th August 2026 at 11:00 AM**. The session was conducted with the objective of creating awareness among students about the diverse career opportunities available after B. Pharm and helping them understand the skills and preparation required to successfully enter the pharmaceutical and healthcare industry.

The session was conducted by **Mr. Mahesh Marathe** from **Arete Training Institute, Pune**, who interacted with the students and provided valuable guidance regarding various career pathways available in the pharmaceutical and healthcare sectors. He explained that a B. Pharm degree offers opportunities in different areas and encouraged students to explore career options according to their interests, abilities, and professional goals.

A significant part of the session focused on career opportunities in the clinical research and clinical trial sector. He discussed the importance of developing appropriate knowledge and skills to enter such emerging career areas. He also informed students about various internship programmes and opportunities that can provide practical exposure and help them understand industry requirements.

He emphasized the importance of early career preparation and advised students not to wait until the final year to begin developing their professional skills. He encouraged them to start preparing for interviews, aptitude tests, communication activities, and other placement-related processes well in advance. He also motivated students to actively participate in relevant training programmes, internships, and skill-development activities to strengthen their professional profile.

The session provided students with valuable insights into the expectations of the pharmaceutical and healthcare industries and helped them understand the importance of continuous skill development. The interactive nature of the session enabled students to clarify their understanding of career opportunities and encouraged them to take proactive steps towards their future careers.

The session successfully created awareness among the students regarding diverse career opportunities and encouraged them to begin their career preparation at an early stage. The event was coordinated by Ms. A. K. Jagtap and Dr. G. B. Nigade under the guidance of Principal Dr. Rajashree Chavan. Their collective efforts ensured the smooth execution and success of the event.
